

Powerful

Description Idea:

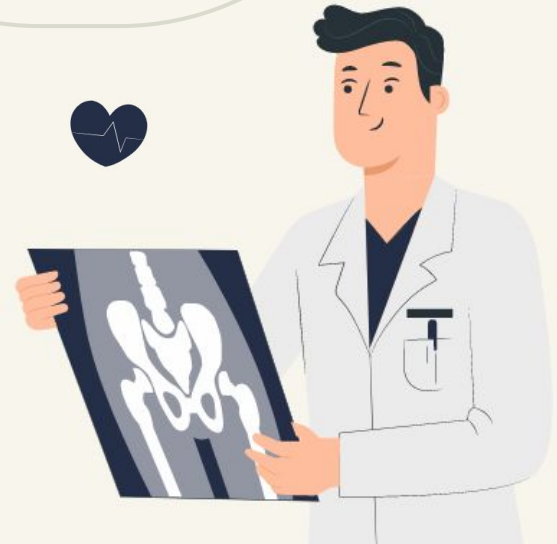

- Creating an application used to track your steps
 - Average 3,000 to 4,000 steps
- Alternatives on diets for pet
- Monthly flat rate(\$15 or adjustable)
 - Donated to a Animal shelter/society, even yourself or both!

Statistics:

- 37% of dogs tend to be overweight after 6 months
- Within 10 years there's been 169% increase on overweight cats & 158% on dogs
- 23 million Americans adopted sheltered pets throughout the pandemic
 - 90 percent being Dogs/ 85 percent being cats having forever homes

Pawsitive Outcomes:

- Obesity rates dropping on both sides
- Pets not being put up for adoption
- Drop rate on euthanization
- Building a stronger Family bound with your pet

Thank You!
