The banner features a dark blue background with a stylized city skyline. On the left, the SC26 logo is displayed with the text "CHICAGO NOV 15-20". Below it, the text "The INTERNATIONAL CONFERENCE for HIGH PERFORMANCE COMPUTING NETWORKING, STORAGE, & ANALYSIS CHICAGO, IL" is shown. The phrase "hpc unites." is written in large, pink, lowercase letters. To the right, a colorful graphic depicts a city skyline with stylized buildings in orange, green, and blue, topped with stars and a large blue wave at the base. At the bottom, three blue buttons with white text and icons are arranged horizontally: "WATCH PREVIEW" with a play icon, "BOOK HOUSING JUNE 3" with a calendar icon, and "REGISTER JULY 8" with a calendar icon. The footer contains logos for sponsors: IEEE Computer Society, 80th Anniversary Celebration, TCHPC, ACM (Association for Computing Machinery), and sighpc.

Internships

Hands-on work experiences for graduate students

We offer summer learning experiences through our internship programs. The internship program is open to students anywhere in the country.

Gateway Development Internships

Our Workforce Development team offers internships for students interested in developing their gateway development skills. The internships are intended to provide hands-on experience and to provide a unique opportunity for student engagement with the community.

Summer Internships at the Texas Advanced Computing Center (TACC)

from June 1, 2026 - August 1, 2026.
